

## **COVID -19 FREE ENVIRONMENT**

In order to establish a safe environment for our patients and staff, we will be implementing the following:

- Only patients with appointments will be allowed in the office (minors may be accompanied by one guardian)
- If possible, patients are asked to print and complete check in forms before arriving at the office
- Face covering required – No exceptions
- Non Touch body temperature screening will be performed
- Hand sanitizers are available for use
- Curbside pickup is available for contact lens and glasses (when applicable) by calling 713-721-7717.

Thank you for your cooperation.
